## Overview

Jester 12/24 19" Rack Mount has been tailored specifically for mounting in 19" racks making this unit perfect for installation where space is at a premium. Users include TV and video studios, clubs, small rental and AV applications. The Jester 12/24 19" Rack Mount is simple to use and delivers great features in a very compact package.

The three operating modes feature control in preset, program or playback including using a traditional theatre playback stack. The Jester 12/24 19" Rack Mount is a fully functional memory console complimented with on-board LCD display and plug-in monitor port as standard.

With 12 auxiliary buttons used to trigger DMX devices such as scrollers, smoke machines or strobes, MIDI capabilities, a USB port to back up shows and even a DMX In port for snapshot/backup use, the Jester 12/24 19" Rack Mount is truly a powerful and affordable choice.
