Alpha Pack - Mounting Bracket Instructions
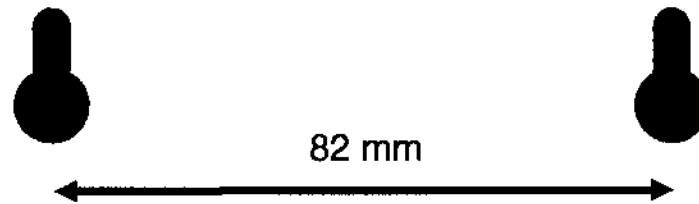

Introduction

This mounting bracket may be used to mount the Alpha Pack on the wall, or to hang it from a hook clamp. The bracket has been carefully designed with a spring clip to hold the Alpha Pack securely in place, even if the pack is knocked.

Wall Mounting

Use the template below to wall mount the Alpha Pack. To release the Alpha Pack from the bracket, simply depress the spring clip and lift the pack clear.

Hook Clamp Mounting

A hook clamp may be fitted to one of the holes in the top of the mounting bracket. A small hole is provided in the top of the Alpha Pack itself to allow a safety chain to be fitted.

82 mm

Wall Mounting Details

Two Keyhole slots are provided on the rear panel at 82 mm centres.

(Use this drawing as a template for drilling the holes)
